13. [REDACTED] LIAISON Showed Toby Seggerman, in the office of Representative Christopher J. Dodd (D., Conn.), a copy of "Soviet Submarines - Intelligence Handbook," classified Secret. [REDACTED] 1 November 1973. He asked a few questions which I have passed on to [REDACTED] NFAC/CSS, and I told him that I would be back to him in a week or two. He was most appreciative of the specialized attention he had received and opined that it really is not desirable to have classified documents sitting in Congressional staffer safes.
